

Our vision at Aura Spa is to promote the experience of relaxation, warmth and easiness in a safe and comforting space that will be welcoming to each individual who walks through the door.

We provide our clients with exceptional service, bodywork, esthetics, products and gifts.

Each ingredient we use on the body is natural and pure, which allows all treatments to be completely efficient, effective and above all else, extraordinary.

Our spa is unique and artful. Please feel free to come in and browse through our boutique, enjoy the exceptional art and relax in our treatment rooms.
